## **DETAILED ACTION**

### ***Information Disclosure Statement***

1. The information disclosure statement (IDS) submitted on 6/28/2005 is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement is being considered by the examiner.

### ***STATUS OF CLAIMS***

2. Claims 11-25 and 28-33 are pending.

Claims 26-27 were cancelled.

Previously, claims 11-25 and 28-33 were indicated allowable.

### ***REASON FOR ALLOWANCE***

2. The following is an examiner's statement of reasons for allowance: as to claims 11 and 24, the closest prior art of Hibbard et al alone or in combination with other prior art fails to teach or fairly suggest the method/system as claimed in independent claims 11 and 24, in particular the key distinction between the closest prior art of Hibbard et al and the instant claimed invention is that Hibbard et al does not rely upon replacing the pixels whose gray levels lie within the CT interval by pixels obtained by digital processing of the pixels of the same coordinates as the MRI image having corresponding MRI image gray levels, in combination with other elements of the independent claims 11 and 24.

As to claim 25, the reason for allowance was indicated in the previous Office Action, which is incorporated by reference.

Accordingly now, claims 11-25 and 28-33 are allowed (renumbered as claims 1-21).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
